

How-To Guide:

Accessing the DWC Portal

Welcome to the Portal!

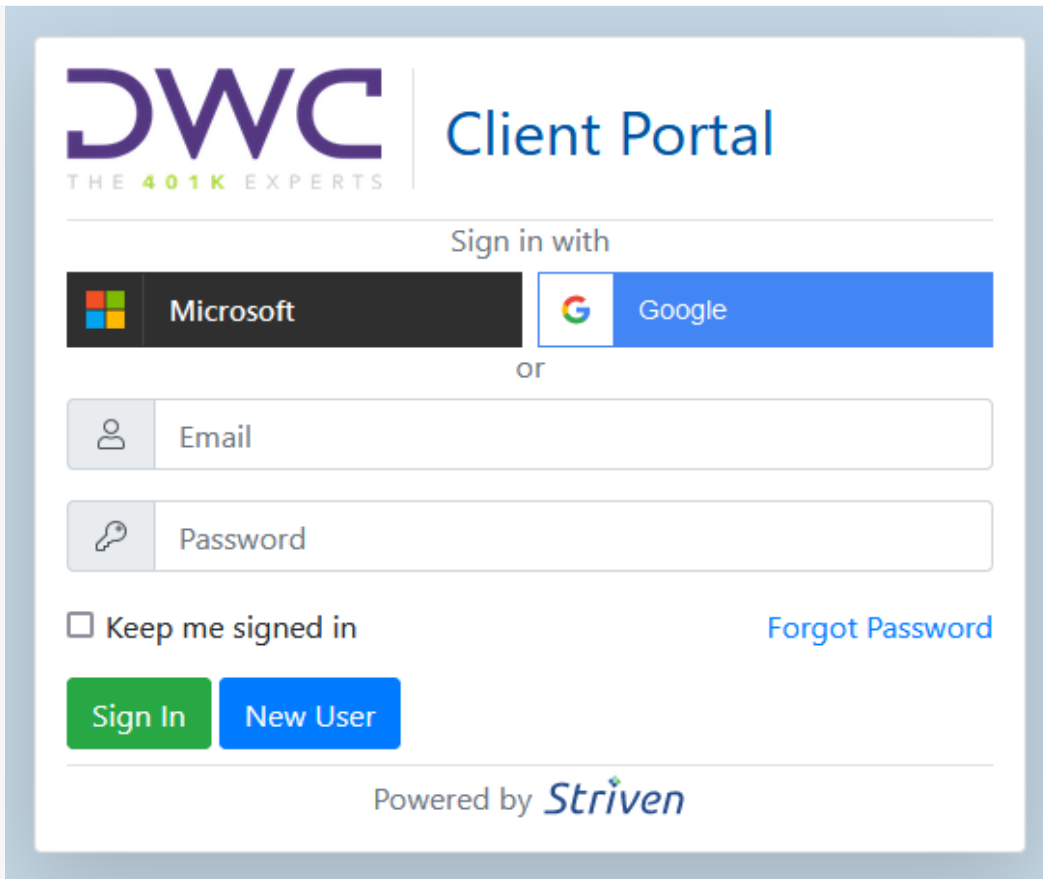

A Note from the DWC IT Team

We are thrilled for you to see the newly enhanced DWC Portal, powered by the Striven software suite.

We don't want you to miss out on anything. Please check with your IT team to ensure that you can receive emails from notifications@system.striven.com.

Accessing the DWC Portal

The screenshot shows the login interface for the DWC Client Portal. At the top left is the logo for 'DWC THE 401K EXPERTS'. To its right is the text 'Client Portal'. Below this, there is a 'Sign in with' section featuring two buttons: a black 'Microsoft' button with the Microsoft logo and a blue 'Google' button with the Google logo. Below these buttons is the word 'or'. Underneath are two input fields: 'Email' with a person icon and 'Password' with a key icon. Below the password field is a checkbox labeled 'Keep me signed in' and a blue link 'Forgot Password'. At the bottom of the login area are two buttons: a green 'Sign In' button and a blue 'New User' button. At the very bottom, it says 'Powered by Striven' with the Striven logo.

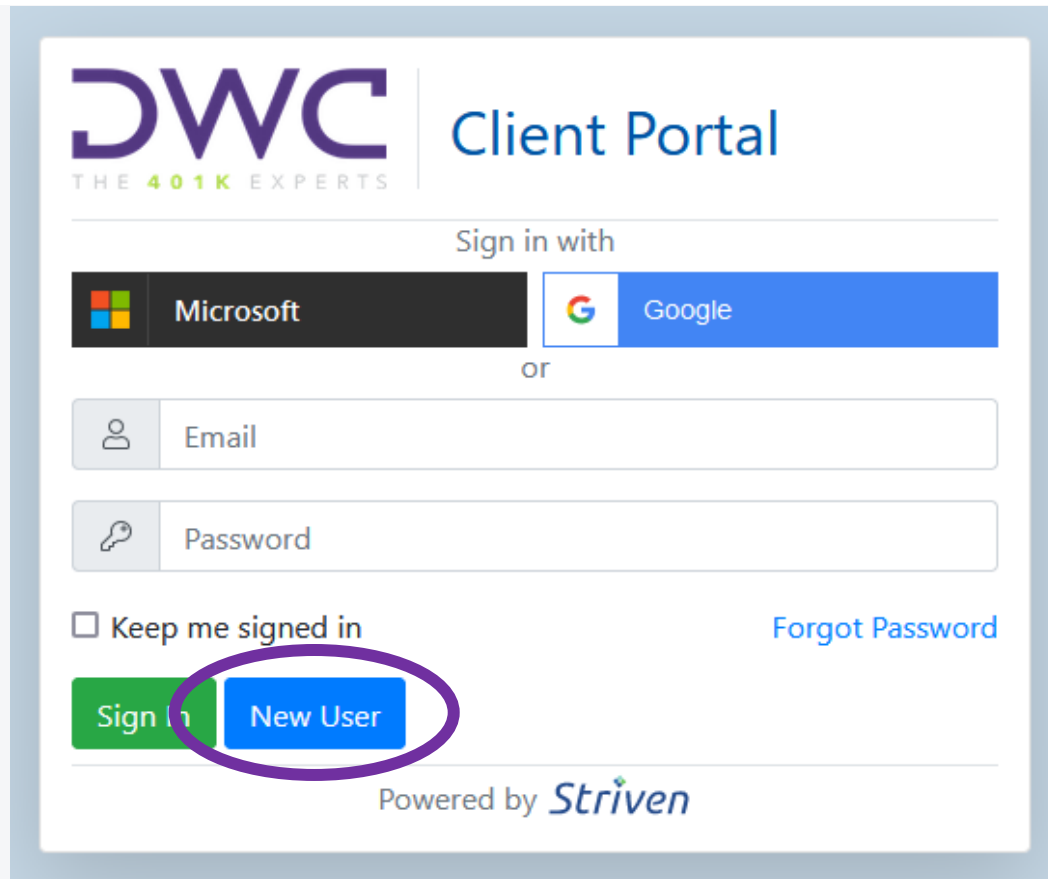

Log-in Page

The log-in page for the DWC portal can be found by clicking [here](#) or by navigating to dwc401k.customers.striven.com.

Your username will be the email address you have provided to DWC.

Please note, the option to sign in with Microsoft or Google are available only if the email provided is linked to your Microsoft or Google account.

Setting Your Password (New User)

If you are a **first-time user** of the portal, select “New User” to set your initial password. Please note that for security purposes, this will also apply to existing users who have not previously accessed the enhanced portal.

If you have previously signed in to the enhanced portal but need to reset your password, this will be covered in a later section.

Accessing the DWC Portal – New User

The screenshot shows the DWC Client Portal login page. At the top left is the DWC logo with the tagline 'THE 401K EXPERTS'. To its right is the text 'Client Portal'. Below this is a light blue box containing the text: 'New User? Enter in your email address and we will send you a link to set up your password.' Underneath is a text input field with a person icon and the placeholder text 'Email'. Below the input field are two buttons: a green 'Create Account' button and a grey 'Cancel' button. At the bottom, it says 'Powered by Striven'.

Setting Your Password (New User)

On the following screen, you'll be prompted to enter your email address. This needs to match the email address you have on file with DWC.

Accessing the DWC Portal – New User

Your name,

For security purposes, we are requiring all users to set up a new password. The process is easy, as your username will be your email address.

Please use the link below to set up your password.

Resetting Your Password (Forgot Password)

If you are a **first-time user** of the portal, select “New User” to set your initial password. Please note that for security purposes, this will also apply to existing users who have not previously accessed the enhanced portal.

If you have previously signed in to the enhanced portal but need to reset your password, select “Forgot Password”.

Accessing the DWC Portal – Forgot Password

The screenshot shows the 'DWC Client Portal' interface. At the top left is the DWC logo with the tagline 'THE 401K EXPERTS'. To its right is the text 'Client Portal'. Below this is a light blue box containing the text: 'Forgot your password? Don't worry! We'll send you an email with a link so you can create a new one. Just enter the email address you used to sign up with.' Underneath this box is a form with a user icon and the label 'Email'. Below the form are two buttons: a green 'Submit' button and a grey 'Cancel' button. At the bottom, it says 'Powered by Striven'.

Resetting Your Password (Forgot Password)

After selecting “Forgot Password” on the log-in page, you will be prompted to enter your email address.

On this screen, ensure that the email address entered matches the email address DWC has on file for you.
